I really see only a 4 or 5 edits and most are typos. It looks like they added something back in that was in an earlier copy... I guess this is good news and maybe we are finally at the end.

good night.

Rich, here's the edited version with the comments from Shawn and Ron as I mentioned in my last note. I'll let you know when this is good to go and then you can finalize as suggested by Cecil as a pdf..... Thanks again for all your work and patience. den.
